Dear parents and carers,

Fellow governors, Mr Lufkin, the school SLT and myself have been delighted with the participation of parents at our two information sessions and thank you all for taking the time to meet with us.

The sessions were incredibly valuable as they allowed us to give you valuable context to the report, outline our plan for the future and answer your questions and concerns.

We are now in the process of producing our FAQ sheet, which will cover the questions and the key take-away's from both sessions. The FAQ sheet will be parent-mailed on Friday.

Governors, Mr Lufkin and the school, will now continue to focus on driving the school improvement plan and we will also give some thought about how best and how frequently to communicate with you all going forward.

We are all looking forward to working our hardest to return the school back to the 'outstanding' grade we know it is capable of and thank you all once again for your continued support.

Yours faithfully,
